Club Business

1. Rotary Means Business — this was the original Tennant of Rotary and incoming DG Mark Middleton wants to bring us back to business. The District has nominated Paul Frilander to head this up and our very own Jackie Skelton will be assisting in directing this. Congrats Jackie! There will be a meeting in Pinellas County on July 13 — location TBD and on July 22 our club will host a Rotary Means Business event for both Rotary members and businesses at large.
2. The cooler raffle has been pushed back to the Quarter Auction in October. Donations collected so far, very much appreciated.
3. Music Bingo: August 25 at New Port Richey Elks. It costs \$25. It's a lot of **FUN!**
4. October 9th - our Quarter Auction.
5. June 7th — we will be having our board retreat. Members are welcome to sit in. Contact Nicola for more information.
6. June 17th - installation of new officers and directors. Dinner will be prepared by the Elks. Members will have their dinner paid for by the club. If you want to bring family or friends, the cost is \$16 per person. Cash Bar.
7. August 14th — Rotary Day at the Rays — Sign up on the DACdb if you are interested in going.
8. The "Hot Seat" starts in July on the first meeting of every month. First up will be Steven, Frank and Carr.
9. August 2nd — we will be serving a meal at People Helping People: Sunday Blessings. From 3:00PM. More information to follow. Carol is heading this up.

Finally, in the interest of Anglo/American language barriers, a word used by Jackie tonight (understood by only a few) requires a definition:
Titivate (also spelled *tittivate*) is a verb meaning to make someone or something neater, smarter, or more attractive by making small enhancing alterations

Looking forward to seeing everyone integrate that into the daily conversations!
As always, great to see everyone.
